

BACK TO SCHOOL ... TIME TO SHOP!

CHOOSE 'SMART RISK' ...

IT MAKES GOOD \$ **DOLLARS** AND ¢ **SENSE!**

LOOK FIRST - children under the age of nine should always be accompanied by a responsible adult or an older child when crossing the street.

WEAR THE GEAR – always correctly wear an approved helmet when cycling, in-line skating or skateboarding.

GET TRAINED – when getting ready to get onto a school bus, teach children to always stay out of the danger zone until the bus driver says it's ok to get on.

Teach them that they are too close if they can touch the bus.

BUCKLE UP – correctly use a seatbelt or a child safety seat every time you are in the car.

DRIVE SOBER - avoid using cell phones when driving.

If the phone rings, let it ring!

It's better to let your voicemail take the call or even miss it, than to put yourself, your passengers, or others at risk.

This means text messaging is off limits too!
