# Grade 1

## Week 1

Hello Grade Ones and Families,

We are excited to go on this unique learning adventure with you. Today is an example of what you will be seeing at the beginning of each week. Questions and comments are welcome. We are looking forward to hearing from you. Please contact your teacher through email or FreshGrade.

### Word Work (Literacy)

Watch Miss Kennedy read the story "It's Spring!" by Linda Glaser  
<https://youtu.be/Qx8HSvvX4Us>

- I can be attentive and show interest during listening or viewing activities

After listening to the story draw your favourite part and use kid writing to write a sentence or two about it. Remember what a sentence needs. Does it make sense? Did you use capital letters? Do you have punctuation? Take a picture if you can and send it to your teacher.

- I can create original text, write simple statements, using capitals and periods, use phonetic knowledge

**Daily Reading** - this can include: Raz Kids, Scholastic Reading, Epic Books, or a book off your bookshelf. Please practice words lists, too (included at the end).

- I can use phonic knowledge and skills to read unfamiliar words in context. I can identify high frequency words by sight.

### Math Activities (Numeracy)

Number Detectives!

**Step 1:** Go on a number hunt around your house. Can you find any numbers? Take a picture and send it to your teacher.

**Step 2:** Choose one of the numbers you found (between 1-10). Can you show this number in four different ways? (Eg. objects, the word, tally marks, 10 frame, fingers, adding and subtracting sentences). Send a picture to your teacher!

- I can tell about numbers.
