

Week 12: June 15th - 19th

Home Learning Tasks

Kindergarten WMES

Video Lesson: <https://www.youtube.com/watch?v=mp4sxtFHTpE>

Shape of the Week: 8-sided octagon

Story of the Week: **First Grade, Here I Come**

Assessment: Since this is the final week, we would love to see any pictures you'd like to share!

Movement Monday

Activity: Space Walk

- Find some smooth floor and practice doing the moonwalk
- Practice walking as if there was zero gravity!

Supplies: room to move, socks, 09

Goal: Use gross motor skills

Teeny Tiny Tuesday

Activity: Tiny Space Pictures or Book

- Create a tiny space picture or book
- Get creative - what do you think you'd find in space?

Supplies: open ended art supplies, writing utensils, paper,

Goal: relate drawing to knowledge about space

Word Wednesday

Activity: Moon Sand Names

- Use or make some moon sand or playdough
- Use your materials to spell your name - make sure you're using only our 4 writing friends to make your letters (long straight line, short straight line, long curve, short curve)

Supplies: playdough, moon dough, or (optional: make your own using some hair conditioner and cornstarch)

Goal: I can represent my name in a variety of ways.

Thinkin' Thursday

Activity: Space Hopscotch

- Use your anti-gravity jumping skills to hop through your very own hopscotch path!
- See if you can make one with numbers to 20 (10 is perfect too!)

Supplies: Chalk (or tape if you wanted to do it inside), shoes, space

Goal: Count 1-10 and 10-1 or 1-20 and 20-1 (up to 20 is the grade 1 standard)

Forest Friday

Activity: Watch and Count the Stars (star gazing)

- Head outside and make wishes on any falling stars you see about grade 1! How many did you see?

Supplies: optional blanket, snacks

Goal: Count stars and think back over the great year we had in Kindergarten!
